Information for applicants.

The Gallery is an enterprise run by a Collective of local artists, engaging in painting, printmaking, jewellery, ceramics, glass, textiles, wood, paper, basketry, photography and sculpture.

Initiated in late 2005 and opened in February 2006, it is an opportunity for local artists to network, collaborate and promote through retail, special exhibitions, workshops and demonstrations. We are an incorporated association with a maximum of 30 members.

The Gallery takes 30% commission on sales and there is a joining fee of \$100 (one-off and non refundable) and an annual subscription of \$100 (payable at the end of the financial year and can be in two installments). This income funds the running of the Collective.

The overall responsibility for the efficient running of the Collective rests with a Management Committee. However, all members are encouraged to share in the decision making process by attending monthly meetings.

Conditions for membership of the Collective:

- examples of high quality two and three D art work are to be made available for viewing at a general meeting. Selection for membership will be based on this appraisal.
- provide a brief written description outlining your work and something about yourself and why you wish to join the Collective
- be available to participate in the running and organisation of the Gallery's activities and event groups.
- participation on a duty roster involving a minimum of one day per month
- regular attendance at monthly meetings (currently on 1st Monday of month)
